Campus Map and Directions for Employers

University of Notre Dame

From the North/East/West (Indiana Toll Road):

Take Exit 77 off the Toll Road.

After paying your toll, proceed to the stoplight (Indiana 933/31). Turn right (south).

Immediately merge to the left turn lane and turn left (east) onto Douglas Road.

Proceed east on Douglas until you reach Wilson. Turn right (south) on Wilson.

Continue on Wilson through stop signs and around the curve (turns into Bulla). After the curve turn right at the stop sign (Leahy Drive).

Note the right turn on Wilson is correct, but instead of following the red arrow south, please turn right (west) on Holy Cross, proceed to the guard gate, get a Visitor's Pass to park, then proceed to Flanner Hall (west tower as you walk up the stairs). Please be aware, after you turn onto Wilson you will be tempted to turn BEFORE Holy Cross by side entrances and Stepan Drive, BUT DON'T, it won't work for security reasons.

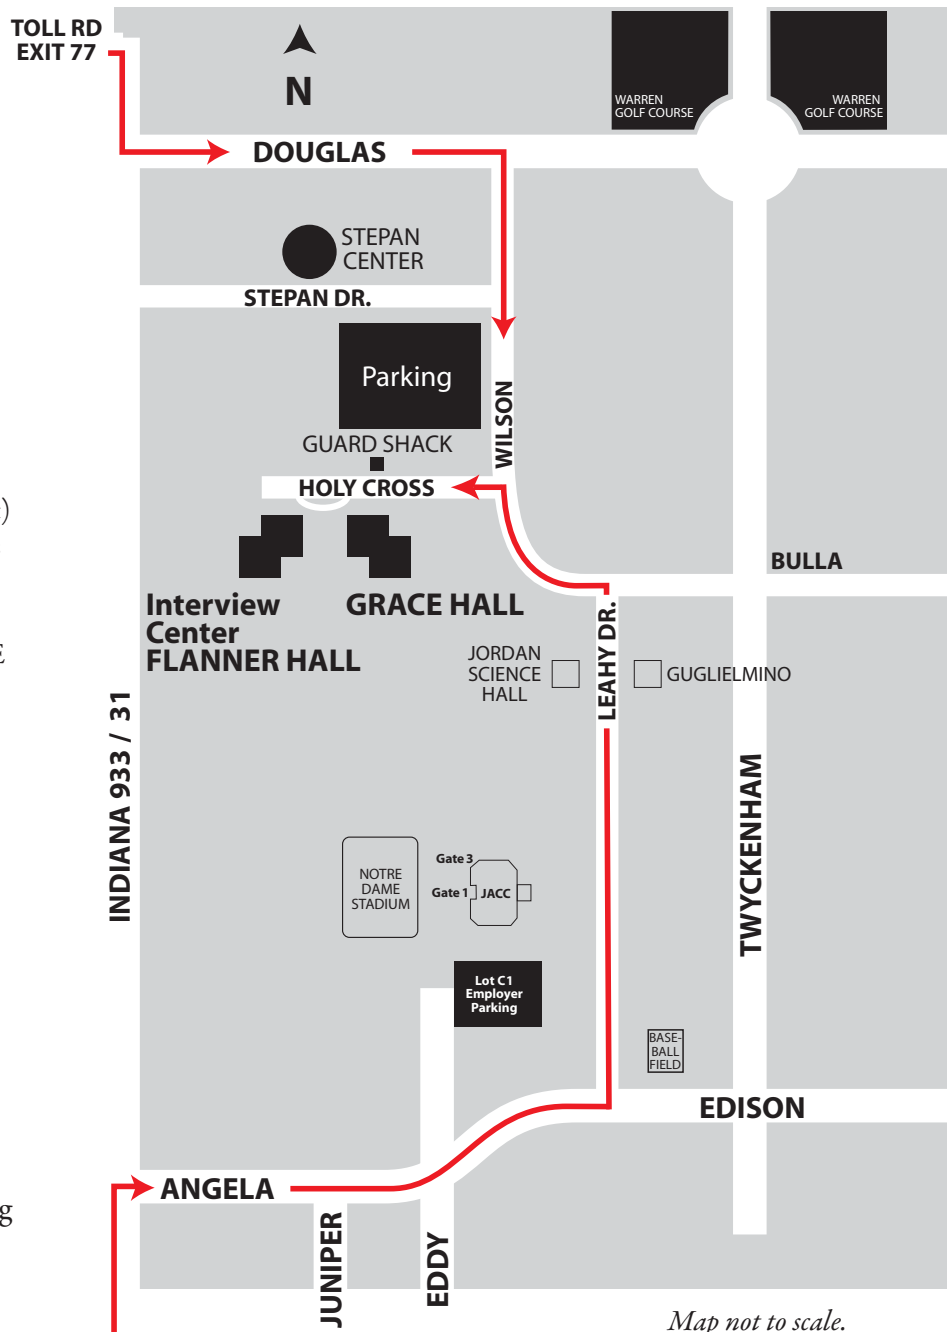

From the South:

Follow US 31 north, which becomes US 933 just south of the South Bend area. Proceed through downtown and continue north.

Turn right (east) on Angela Blvd. (Notre Dame sign and golf course will be on the far right corner). Angela turns into Edison Road.
